

Vaccination Verification Guide

(If you need assistance with the CrowdPass vaccination verification site, please contact CrowdPass support at support@crowdpass.co.)

- Go to the vaccination verification site (step 1 of the registration process).

<https://dashboard.crowdpass.co/events/5RGT11AH/ECZAXDDC>

- Read the “About This Event” section, then click the “Register” button.

- Create a new attendee account or, if you’ve used the CrowdPass platform before, click the Log In link under the Continue button. (Please note that this account is separate from your AAS account.)

Create Attendee Account
Access events, conferences, and other gathering from a single CrowdPass account.

- After uploading your vaccination information successfully, you will receive an email indicating that your record is under review.

Submission Received

Hello,

We received your submission. Let us verify it. We will email you your access code shortly.

Please do not hesitate to contact us if you have any questions or concerns.

All the best,
Crowdpass

support@crowdpass.co

- Once your vaccination status is approved, you will receive an email with the code to use at the AAS registration site (step 2 of the registration process).

- Go to the AAS registration site (step 2) and use the code to answer the vaccination question on the registration form (step 2).
