## 5. Select one of the “Registration Options”

- The registration rates are based on your *current* AAS and/or DPS membership status; however, if you renew a lapsed membership and register for a meeting on the same day, you will be charged the **nonmember registration rate**. To register at the **member rate**, please wait until the following business day to register for the meeting and confirm you have been charged the correct fee before checking out.
- **Student registration** - you must be a graduate or undergraduate student member to receive the student registration fee.
- A **guest** must be a spouse, domestic partner, or significant other. Guest registration fee covers access to the exhibit/poster hall, and daily morning and afternoon coffee breaks. Please note that guests are not allowed to participate in scientific sessions.
